Organdy Vest Is Chic

By MRS. M. A. WILSON departisht. 1981. by Mrs. M. A. Wilson.

THE sandwich to many folks, means just a filling of meat or a combinafion of mixtures between slices of bread. This is the very last thing in foods that I would care to eat. Dainty attractive sandwiches form

an appetising tidbit for tea, card party, refreshments for parties and evesing affairs. It is the accepted fact that a sandwich to be a la mode is either oblong, 21/2 by 31/2 inches, or in tiny squares. The only exception to this is the club and salad sandwiches, which are cut aslant the slice and are therefore in triangles.

The bread used makes or mars the andwich, so select a large loaf, two days old, if it is wrapped in wax paper. er one day old, if unwrapped. Trim the crusts from the end and then butter each slice on the loaf and with a sharp knife cut slices about one-quarter inch thick. Pile six or more slices together and trim off the crusts. The bread is now ready for the filling. Many expert chefs who specialize in andwiches will tell you that a variety

of butters not only gives flavor, but a ters can be used to afford variety to Parsley butter for parsley flavor, Onion butter for onion flavor, Wetercress butter for watercress

Celery butter for celery flavor, Caper butter for caper flavor, Olive butter for clive flavor, Sweet green or red pepper butter for

the pepper flavor,
Horseradish butter for horseradish Garlic butter for garlic flavor, Leek butter for leek flavor, tarragon butter for those

All these afford a splendid change, Mustard Butter

Place in a small bowl One teaspoon of mustard, One-half teaspoon of paprika, One teaspoon of Worcestershire

Two ounces of butter. Cream with wooden spoon until very oft and creamy, and then spread upon be loaf, using a spatula or very flex-

Herb Butters

Mince very fine the desired herb and then place one-quarter pound of butter in a bowl and add one-half cup of finely minced herb. Blend until smooth.
Use the green tops of celery only for

> Some Chicken Sandwiches Ctub Sandwiches

Toast three slices of bread, cut onehalf inch thick. Spread first slice lightly with mustard butter and then cover with nice crisp white leaves of lettuce. Spread the lettuce lightly with nicely seasoned mayonnaise. Now lay thin slices of white meat of chicken: cover the chicken with finely minced green pepper. Then slice of tonst. Spread this slice of tonst with green pepper butter. Cover with crisp leaves of lettuce and spread lightly with

Now a layer of white meat of chickbrown bacon; cover with thin slices of tomatoes. Cover with a slice of toast. Now cut the three layers into triangles guimpes of white organdy trimmed with and put a tenspoon of mayonnaise in a thy crisp leaf of lettuce on one-half and a thin slice of tomato on the other

Sandwiches With Minced Green Pepper

Prepare the bread and use any favored butter you wish. Now lay a alce crisp leaf of lettuce spread lightly with mayonnaise and then cover with elices of breast of chicken. Cover with finely minced green peppers and put a thinly sliced tomate over this. Cover with top of bread prepared and then cut a slant into triangles.

Cream Chicken Sandwich Prepare slice of bread as directed and then cut into oblongs and cover each oblong with finely minced parsley. Now

mince very fine

One-half cup of chicken. One sweet red papper. Use the nut butter knife on the food

chopper, then rub the mixture through a sieve. Now add

Four tablespoons of mayonnaise, One-half teaspoon of salt, One-half teaspoon of paprika, One-quarter teaspoon of

Four tablespoons of whipped cream. Turn the mixture into a small pas-try bag and use the large rose tube.
